CAMERON COUNTY LITTLE LEAGUE

TO: All District Administrators with Senior Division Baseball

FROM: Glen D. Fiebig, District Ten Pennsylvania Administrator and
Director of the 2009 Senior Little League State Tournament

Upon receiving this information, Fellow D.A.'s, please give it to your respective District winners so they have it if they win their section. All the information needed for your winners is included in this packet. As those of you know, this information is a great help to cut down on the incoming phone calls on the night before the players are to be at the site.

At this tournament, all players will abide by the curfews and other rules set up by the tournament persons or they will be sent home accompanied by the Senior League Official in attendance for their respective league. We, the **CAMERON COUNTY LITTLE LEAGUE**, are very proud of our record the past TWENTY-NINE years and we will not jeopardize this for any player, coach, manager or any League Official. We will be playing baseball in accordance with the ZERO TOLERANCE POLICY. No one will harass any of the players because they are only children, and it's our job to protect them. Any District Administrator or League President who plans to attend, your room will be held for you up until 6:00 P.M. of the first day of the tournament. And, as in the past, WE WILL ONLY hold one room per team and this will be for the Manager and Coach. Please let me know in advance if you plan to attend. **The team or the league will be responsible for payment.**

To those of you who have been at our State Tournament, I would like to **THANK YOU** for your help over the past twenty-eight years, and hope you have a **GOOD TIME!**

Please e-mail your roster ASAP.

Sincerely,

Glen D. Fiebig
District Administrator
